## RESOLUTION

Agenda 1 : To consider the matter of payment of salary to the teachers for the month of June, 2020.

Resolution: Due to the present situation caused by Covid-19 pandemic, admissions which were to be taken during the month of June, 2020 have not been taken at the College as a result of which fees have also not been submitted by the students. Even after imposition of lockdown, for the months of March, April and May, 2020, payment of full salary to the teachers working at the College has been made but taking note of the financial constraints, it has been decided to make payment of salary at the rate of 50% in favour of the teachers of the College for the month of June, 2020. This decision is to apply only in cases of teachers, who have been appointed by the management of the College, including teachers appointed on contractual basis.

Agenda 2 : To consider the matter of grant of leave in favour of the non-teaching employees of the College for the months between June to December, 2020.

Resolution: Taking note of the fact that on account of the lockdown imposed by the Government in view of Covid-19 pandemic, the non-teaching employees of the College could not attend their duties at the College during the period of lockdown in the months of March and April, 2020, (22.3.2020-19.4.2020) however, they have started attending to their duties at the College from 20/04/2020 other than those employees who were residing in the areas that had been declared as containment zones/red zones. In the interest of the administration of the College and pendency of work, the committee has resolved to restrict the admissible number of days of leave in favour of the non-teaching employees to 12 days for the period between 01/06/2020 to 31/12/2020.
