Dear Alumni

Hope all are fine and in good health. It has been a long time that we have been connected with you all since all of us were facing a tough time due to the new normal situation that has arisen all over the world because of COVID 19. Even in the testing Covid times, the College moved ahead with its vision and mission of holistic development of women through their empowerment in academics as well extracurricular activities. Under the able leadership of the Principal of the college, Dr. Sister M. Rashmi A.C. new paths and new policies to cope with the new normal situation were devised. The LMS platform was used for online teaching. The students were promoted to the next semester and regular classes started from July. Online entrance tests and admissions of new batches of students were also accomplished.

All the important days and events like Independence Day, Carmel Feast day, Founder's Day, Teacher's Day, International Yoga Day, Human Rights Day, etc. were celebrated through online programmes. Every department also organized its departmental activities; many National and International Webinars were held. All the pending final exams were also held and the results published.

The college and its staff fully committed to perform and transform the lives of its stakeholders moved ahead inspite of all odds to make the college a center of excellence in higher education.
