About NSTEDB, DST, Ministry of Science & Technology, Govt. of India

The National Science & Technology Entrepreneurship Development Board (NSTEDB), established in 1982 by the Government of India under the aegis of Department of Science & Technology, is an institutional mechanism to help promote knowledge driven and technology intensive enterprises. The Board, having representations from socioeconomic and scientific Ministries/Departments, aims to convert "job-seekers" into "job generators" through Science & Technology (S&T) interventions. More information about NSTEDB is available on www.nstedb.com

About Patna Women's College (Autonomous)

PATNA WOMEN'S COLLEGE (Autonomous) is a premier institution, whose hallmark has always been Quality and Excellence. It was the first institution of higher learning opened to cater to the educational needs of women in Bihar.

The College was granted the status of Degree College in July 1941. In the year 1952, a Special Status was given by the Government of Bihar and it became a 'Constituent College' of Patna University. On 25.07.2007, the Government of Bihar, officially declared Patna Women's College as a 'Religious Minority College'. The College has been accredited by NAAC with 'A' grade for three consecutive cycles with CGPA 3.51/4 in 2010 and CGPA 3.58/4 in 2015. The College also has been accorded as 'College with Potential for Excellence (CPE)' status from UGC in three phases in 2004, 2010 and 2015.

The University Grants Commission (UGC) has conferred Autonomous status to Patna Women's College in January, 2018 which was further notified by the Parent University (Patna University) in July, 2018. Choice Based Credit System (CBCS) and Semester System have been introduced in July 2018. The college provides holistic education through UGC approved 26 undergraduate degree courses in all the major streams of Humanities, Sciences, Commerce & Management, Education, 9 Post Graduate Degree Courses and 3 Post Graduate Diploma Courses.

Salient features of Women Entrepreneurship Development Programme (WEDP)

Women Entrepreneurship Development Programme (WEDP) aims at training the S&T graduates and diploma holders in the essentials of conceiving, planning, initiating and launching an economic activity or an enterprise successfully. In each WEDP 25-30 potential women entrepreneurs having degree/diploma (three years) in S&T are trained through a structured training programme of 4 weeks duration. Trainees will be selected on the basis of their potential of becoming entrepreneur. During the training period, participants will get to know the intricacies of how to start and manage an enterprise. At the end they are assisted in preparing a detailed business plan.

Salient features of Faculty Development Programme (FDP)

Faculty Development Programme (FDP) is designed to train and develop professionals in entrepreneurship so that they can act as resource persons in training, teaching, guiding and motivating young S&T persons to take up entrepreneurship as a career choice. Through each FDP, 20-25 faculty members of Science and Technology Institutions, Polytechnics and Entrepreneurship Development Organizations are trained for duration of 2 weeks. FDPs provide inputs on process and practice of entrepreneurship development, communication and inter-personal skills, creativity, problem solving, achievement motivation, resources available and all aspects of entrepreneurship. Training methodology includes case studies, group discussion, simulation exercises, field visits and classroom lectures.

Digital Certificate with QR Code will be issued to Participants after Successfully Completing the Programme.
