RESOLUTIONS

New members were added to the Anti-Ragging Committee. Also no such complaint of ragging was registered as classes were being held online. And very few students were coming to the college due to Covid restrictions.

It was decided that the new batch of students who will be inducted in September 2021 will be informed during their orientation programme that ragging is strictly prohibited in the college. It is also written in their handbook. Also students have to be informed that if any case of ragging occurs in the campus, they should not hesitate to report the same to the committee.
