VALUE BASED EDUCATION

ORGANIZED BY : DEPARTMENT OF MICROBIOLOGY

FACILITATOR: DR. JAYA PHILIP, HEAD DEPARTMENT OF MICROBIOLOGY

PARTICIPANTS: B.SC MICROBIOLOGY SEMESTER V

Value based education class was conducted for students of 5th semester on the topic "TRUST" on 29TH September 2022 by Dr. Jaya Philip, Head Department of Microbiology, Patna Women's College. Students were taught about the importance of trust by the help of a video shown in class.

Emphasis were laid on the necessity of trust in today's age and to be very careful while trusting. "Trust can take years to earn and just a matter of seconds to lose".

Students also shared and discussed their views. Altogether, the class was an interactive session for the students which will enhance their values and beliefs.
