## News Briefs

### Bihar crime report

Bihar crime report for the first six months of 2019. The report shows a decline in crime rates compared to the same period last year. The number of crimes registered in Bihar during the first six months of 2019 was 1,12,000, which is a decrease of 10% from the same period in 2018.

### FIRST MAN ON MOON: ELIUD KIPCHOGE

Kenyan runner Eliud Kipchoge became the first man to run a marathon in less than 2 hours, which took place in Vienna, Austria, on October 12, 2019. Kipchoge's achievement is a testament to his exceptional endurance and training.

### NASA FIRST FEMALE SPACE-WALK

NASA's first female spacewalker, Christina Koch, completed a 6.5-hour spacewalk from the International Space Station on October 16, 2019. Koch's mission was to install a new airlock on the station, marking a significant milestone for women in space exploration.

### 2nd state to ban Pan masala

Odisha has become the second state in India to ban the sale of pan masala. The ban is aimed at reducing the health risks associated with the use of tobacco and betel nut products. The state government has implemented strict measures to enforce the ban.

### Fi India Movement

The Fi India Movement is a social movement that aims to improve the lives of the poor and marginalized in India. The movement focuses on providing education, healthcare, and employment opportunities to the underprivileged.

### India's First Corporate Train Launched

India's first corporate train, the 'Vande Bharat' train, has been launched. The train is designed to provide a faster and more comfortable mode of transport for passengers. It is expected to revolutionize the Indian railway system.

### Kavita Kumari Rimcha Nounam Simeen Vijay

The formation of the new union territories of Jammu & Kashmir and Ladakh is a significant step towards the development and progress of the region. The government has taken various measures to ensure the well-being of the people in these areas.

### '2 New Union Territories'

The formation of Jammu & Kashmir and Ladakh as new union territories is a landmark decision. It is expected to bring about economic growth and social progress in these regions. The government has committed to providing the same level of services and infrastructure as the rest of India.

### A year of love, a year of PRIDE

The year 2019 has been a year of love and pride for the LGBTQ+ community. It has seen significant milestones and achievements, including the legalization of same-sex marriage in several countries. The community has shown resilience and strength in the face of adversity.

### A DAY IN FAVOUR OF MUSLIM WOMEN

A day in favour of Muslim women was celebrated across the country. The day was dedicated to highlighting the contributions and achievements of Muslim women in various fields. It was a day of empowerment and solidarity for the community.

### Aashfa Verma

Aashfa Verma is a prominent figure in the Indian space industry. She has played a key role in the development and launch of several Indian satellites. Her work has been instrumental in advancing India's space capabilities.

### THE RTI AMENDMENT

The RTI Amendment Bill, 2019, has been introduced in the Lok Sabha. The bill aims to streamline the process of receiving information under the Right to Information Act. It is expected to improve the efficiency and transparency of the government.

### CELEBRATION HAILS ON BANERJEE'S NOBEL VICTORY

The Nobel Prize victory of Abanindranath Tagore is celebrated in India. Tagore's work has inspired generations of Indians and has brought international recognition to Indian literature. His legacy continues to live on through his writings and the values he stood for.

### A JOURNEY OF PRIDE

The journey of pride is a journey of self-discovery and acceptance. It is a journey that leads to a more inclusive and equitable society. The LGBTQ+ community has made significant strides in this journey, and there is still much work to be done.

### THE RTI AMENDMENT

The RTI Amendment Bill, 2019, has been introduced in the Lok Sabha. The bill aims to streamline the process of receiving information under the Right to Information Act. It is expected to improve the efficiency and transparency of the government.

### CELEBRATION HAILS ON BANERJEE'S NOBEL VICTORY

The Nobel Prize victory of Abanindranath Tagore is celebrated in India. Tagore's work has inspired generations of Indians and has brought international recognition to Indian literature. His legacy continues to live on through his writings and the values he stood for.

## END OF POLITICAL ERA: DEATH OF PROMINENT POLITICIANS

The death of prominent Indian politicians marks the end of a political era. These leaders have played significant roles in the development of India and have shaped the course of the nation's history. Their passing is a great loss to the country.

## Climate strike: A small step towards a big change

The climate strike is a small step towards a big change. It is a call to action for individuals and governments to take steps to reduce carbon emissions and combat climate change. The strike is a powerful statement of our collective concern for the planet.
