

PATNA WOMEN'S COLLEGE

Autonomous

PATNA UNIVERSITY

3rd Cycle NAAC Accredited at 'A' Grade with CGPA 3.58/4

'College with Potential for Excellence' (CPE) status accorded by UGC

GREEN PROTOCOL

As an institution engaged in shaping the future of the nation, the college gives an impetus on sustainability and conservation of the environment for our future generations to come. In pursuance of this the college, its students and staff shall adhere to the following protocol:

- To use alternate sources of energy like solar energy to fulfil the energy requirements of the institution.
- To use energy efficient equipment inside the campus like LED lights, sensor based lights etc.
- To institutionalise waste management through proper waste management systems for solid waste, liquid waste, chemical waste and electronic waste.
- Incinerator is to be used for disposal of solid waste material.
- The biodegradable waste produced inside the campus is to be used to produce manures using vermicomposting.
- Banners made of flex and plastic are to be avoided and LED boards and digital banners are to be encouraged.
- The campus will be a plastic free zone as use of single use plastic is banned inside the campus as per the regulations of Government of Bihar.
- Use of bags and folders made of jute or cloth is to be promoted.
- The college is committed to augment green cover inside along with maintenance and augmentation of herbal garden and ornamental plants.
- Rain water is to be stored via rainwater harvesting system.
- Green environment and energy audits to be carried out annually by both the college and external agencies.
- Awareness programs starting from Orientation Programme will be conducted throughout their course in the form of curricular and extra-curricular activities.

- The students, staff and teachers of the college will be encouraged to adopt Reduce, Reuse and Recycle to ensure environment conservation and waste reduction.
- There is to be a student body that would work for protection of environment and for spreading awareness among students.
- The students, teachers and staff of the college shall ensure no wastage of electricity takes place. Lights, fans, air conditioners and other electrical appliances are to be switched off when not in use.
- Awareness boards are to be installed across the campus.
- The college will collaborate and participate with government of Bihar in Initiatives like Jal Jeevan Haryali.

The students, staff and teachers of the college shall keep the college neat and clean. No littering is to be ensured and segregated bins for disposal of biodegradable, non-biodegradable and chemical waste is to be used.
